Message From The CEO

As we start a new year, I would like to take this time to extend warm wishes to all of you for a happier and healthier year. Even though 2020 was a rough year for many, there are still many things to be thankful for. One of those things for me, is being given the opportunity to serve you, the members of Haynes Community Federal Credit Union. During my first couple of months here, I have found everyone to be extremely welcoming and supportive. I look forward to being a part of the Haynes family for a long, long time.

For the safety of our members and our staff, our lobby will remain closed for the time being. If necessary, arrangements can be made to come inside, but most business can be handled though the drive up, on the phone, or via our website and app. We thank you for your continued understanding, and please know that our dedicated staff still strives to serve you to the best of our abilities.

I look forward to the day that we can reopen our lobby and see you all face to face again.

Sincerely,

Jerri Ann Martin

73rd Annual Meeting Postponed

Due to COVID-19, our Annual Meeting, originally scheduled to take place in March, has been postponed and will be rescheduled later this year. We apologize for this inconvenience and appreciate your understanding during this time. We will alert members when a new date has been set.

Avoid COVID-19 Vaccine Scams

- You can't pay to put your name on a list to get the vaccine.
- You can't pay to get early access to a vaccine.
- Don't share your personal or financial information with anyone who calls, texts, or emails you promising anything related to the vaccine or health care.
- Hang up the phone or delete any emails or texts that ask you to do anything. Do not click on any attachments or links in emails or texts.
- Nobody legit will call about the vaccine and ask for your Social Security, bank account, or credit card number.

Nothing is as it seems. Scam attempts look very real.
